

Layer::Layer

```
classDiagram
    class Layer["Layer::Layer"]
    class ConvolutionLayer["Layer::ConvolutionLayer"]
    ConvolutionLayer --|> Layer
```

The diagram illustrates a class hierarchy. At the top is a white box labeled "Layer::Layer". Below it is a gray box labeled "Layer::ConvolutionLayer". A blue arrow points from the top of the gray box to the bottom of the white box, indicating that "Layer::ConvolutionLayer" inherits from "Layer::Layer".

Layer::ConvolutionLayer
